

Tony Chen

New York, NY 929-888-3929 chentony17@gmail.com [Portfolio](#) [LinkedIn](#) [Github](#)

SKILLS

JavaScript, React, Redux, HTML, CSS, Ruby, Ruby on Rails, Mongoose, MongoDB, Node.js, Express.js, SQL, SQLite3, PostgreSQL, Webpack, jQuery, Git, Heroku, AWS, p5.js, Google Maps API

PROJECTS

Bikes and Bikers (*React/Redux, Rails 5, Google Maps API*) [live](#) | [github](#)

- Utilized Google Maps to dynamically list listings based on latitude and longitude
- Designed user authentication with BCrypt
- Built without using major react libraries
- Implemented AWS3 for optimization and data rendering

MenuTube ((Javascript, ReactJS, Mongoose, MongoDB, Node.js, Express.js)) [live](#) | [github](#)

- Rotated between backend and frontend depending on priority for day goal
- Isolated and determined bugs for team members.
- Visualized key aspects and improved visuals of website by implementing parallax splash page
- Incorporated DRY code for readability and easier file locations.

EXPERIENCE

Server/Maitre'D/Bartender

2017-2019

Inakaya

- Enforced guest privacy and confidentiality of popular guests
- Led training of multiple staff of different positions.
- Resolved guest complaints within my scope of authority when no higher-up is available
- Increased profit of business when hired by maintaining guest relationships and maintaining top sales of new items to clientele.

Courier / Radiology Office Worker

2016-2020

CP Advanced Imaging

- Maintained attention to detail while organizing thousands of medical records and information in case of faulty reports that needed to be transcribed again
- Maintained specific floors for medical supplies and operations
- Assisted with immediate inquiries from hundreds of offices that are connected with the company

Front Desk Representative

2015-2016

Crunch Fitness

- Ensured smooth operations and processed potential memberships
- Streamlined guest access to popular fitness classes that involve around 50+ people
- Conducted nightly audits and procedures of business in a timely accurate complete efficient manner.

EDUCATION

Web Development - AppAcademy - *Immersive software development course with a focus on full-stack web development, which entailed 1000+ hours of coding*

Associate Degree of Liberal Arts - Kingsborough Community College 2010
